AWARDS

2022   2nd Place | Web Development | Crescendo   Hackathon

EXPERIENCE

ROTARACT CLUB OF CRCE| TREASURER
July 2022 – Present |Bandra, Mumbai

• Managed finances for the Rotaract Club of Fr.CRCE. Handled the accounts of the club. Organized events like Trek, Mic Drop, Heart and Sole Run

PROJECTS:

• Football Analysis: An application which analyzed the performance of football players of the top 5 leagues. Heatmaps of the players' influence and all round stats were compared.
• Built an event management website, wherein a user would be displayed various events and could participate accordingly. The host of the event was allowed to broadcast the event on the website.
• Solved a number of frontend mentor challenges
• Currently working on an application that can mark attendance of students using a smartphone camera. Facial Recognition using CNN.
